## About the PSF

The Process Safety Forum (PSF) was set-up to provide a platform whereby initiatives, best practice, lessons from incidents and process safety strategy can be distilled and shared across sectors; to influence our stakeholders (including the Regulator); and to drive the process safety management performance agenda.

The Forum may, from time to time, make recommendations to industry via the member associations on directions of travel that would likely benefit all sectors.

**Chairman:** Paul Thomas – email: [paul.a.thomas@btconnect.com](mailto:paul.a.thomas@btconnect.com)

**Secretary:** Nick Shaw – email: [Nicholas.Shaw@awe.co.uk](mailto:Nicholas.Shaw@awe.co.uk)

### Please Note:-

If you are registered member of the PSF then you will be able to access all articles entered on the site – if you are not registered then, at present, some of the site's content is blocked to you – this is primarily a private website for members of the PSF to exchange ideas and information for dissemination to member organisations.

However PSF published documents (such as Learning Briefs) are available to all.

If you think you are entitled to access to the main site and make contributions, then please [email the PSF Secretary](#) or the [PSF Chairman](#) who will consider your request.

If you have comments on this website please [email the website administrator](#)

## Membership

The following organisations are members of the PSF – click on the logos to go to their websites or [here](#) for contact details of the nominated members of the PSF

The best thing to do is HAVE A “PLAY” !

If you get stuck look online at [http://codex.wordpress.org/Main\\_Page](http://codex.wordpress.org/Main_Page)

There are dozens of “how tos” on the web – the site uses WORDPRESS

Or give me a call

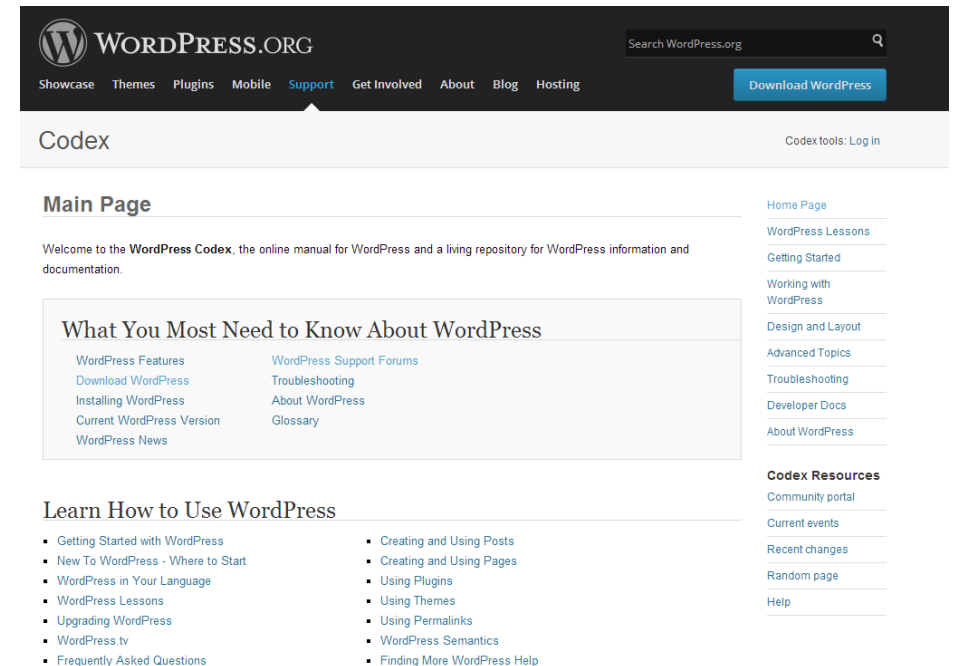

We can always delete it!

The screenshot shows the WordPress Codex website. At the top, there is a dark navigation bar with the WordPress logo and the text "WORDPRESS.ORG". To the right of the logo is a search bar labeled "Search WordPress.org". Below the navigation bar, there are several menu items: "Showcase", "Themes", "Plugins", "Mobile", "Support", "Get Involved", "About", "Blog", and "Hosting". A blue button labeled "Download WordPress" is positioned on the right side of the navigation bar. Below the navigation bar, the word "Codex" is displayed on the left, and "Codex tools: Log in" is on the right. The main content area is titled "Main Page" and contains a welcome message: "Welcome to the WordPress Codex, the online manual for WordPress and a living repository for WordPress information and documentation." Below this message is a box titled "What You Most Need to Know About WordPress" containing two columns of links: "WordPress Features", "Download WordPress", "Installing WordPress", "Current WordPress Version", "WordPress News", "WordPress Support Forums", "Troubleshooting", "About WordPress", and "Glossary". To the right of the main content area is a vertical list of links: "Home Page", "WordPress Lessons", "Getting Started", "Working with WordPress", "Design and Layout", "Advanced Topics", "Troubleshooting", "Developer Docs", and "About WordPress". At the bottom of the page, there is a section titled "Learn How to Use WordPress" with two columns of bulleted links: "Getting Started with WordPress", "New To WordPress - Where to Start", "WordPress in Your Language", "WordPress Lessons", "Upgrading WordPress", "WordPress.tv", "Frequently Asked Questions", "Creating and Using Posts", "Creating and Using Pages", "Using Plugins", "Using Themes", "Using Permalinks", "WordPress Semantics", and "Finding More WordPress Help".
